## Fezell needs our support

To the Editor:

We need more Christian men in government like Vic Fezell. I am so tired of people running him down. Mr. Fezell spoke to our church, and we could tell he stands for what's right even when so many are against him. He has high Christian morals, something so many of our government officials lack.

Mr. Fezell is doing a good job and we need to be behind him. Mr. Fezell quoted Proverbs 29:18, which says, "Where there is no vision, the people perish, but he that keepeth the law — happy is he."

I believe Mr. Fezell is really trying to keep his vision, and so should we.
