

Aug. 26.  
Time 4:55 PM

H. L. DARNELL

I was at work at Mega Equip. Co. when the call came in. Time I got to the station I was on the ~~1st~~ 2nd track out. When we arrived at the ~~see~~ scene we went to Line Plug to lay a line. We stayed at the plug ~~and~~ <sup>and</sup> stand by if they needed more water. I did not see the building. We were on stand by.
