

THE STATE OF TEXAS  
COUNTY OF MCLENNAN

Date 12 August 1987

STATEMENT OF: Jerry Don McGaughey.

In relation to my whereabouts on 26 August, 1986. I make the following voluntary statement. On the morning of the 26th, I along with Cy Trest and Ken Walpole, were trimming trees located at 3220 Oak Ridge Ln, and owned by Mr and Mrs. Rufas Nash. Since we were being paid by Mrs. Nash A complete record should be available for verification. We took lunch at an appropriate time and returned to work stopping about 5:00 p.m. I drove Cy Trest to his vehicle parked in bosqueville, at Mike Garrett's residence, and then returned about 5:30 to pick up Ken Walpole, who was left to put the remaining tools up. I dropped Ken off at 2807 Homan, and picked up my pole spikes and went to a residence located in North Waco and helped Brad Sublett trim some trees at this residence. That afternoon I was washing some clothes when my cousin Kim Williams gave me the sad news about my son's deaths. For the next few hours only my friends and family can describe the hysteria and shock that I was in.

I have been given the opportunity, before signing this statement, to make any additions or deletions that I desire, and any changes made in this statement have been made by me in order that this statement will be accurate. I have read all of the above and foregoing, and it is true and correct and happened in McLennan County, Texas.

Signed this 18 day of August, 1987.
