

Casualty Fire
Angel Fire

9-3-86

Left work at 5:08 PM. Arrived at Fire Station, Picked up Bunker Gear & 2 Fireman, Went to Fire scene in Personal Vehicle. Arrived & talked to Chief Ford, at this time 1 body had been found & fire was out. Took both firemen to Fire Station & returned to Fire scene, other body had been found by them. Area was roped off by police. Fire Chief & Deputy Chief were talking to Police Chief. TP&L were there hooking up main line to house. This had been burned into by fire. I noticed on patio some chains, table, gas can, yard was basically vacant except for burned block & swing set. A

I assisted in investigating. Fire appeared to have started near door, see sketch.
